Case Studies on Bank Guarantees & Letters of Credit

Wednesday 22 May, 2019

9am – 4.30pm (registration starts at 8:15am)

“Case Studies” are the future of Trade Finance Trainings because they allow participants to create their own content by submitting their actual challenges, problems and cases to a panel of experts. What is more in this “Case Studies on Bank Guarantees & Letters of Credit” on Wednesday, June 20th we combine case studies on Demand Guarantees with those on Letters of Credit to strengthen interaction and foster understanding between LC and Bank Guarantee experts.

This conference offers an exceptional opportunity to discuss with a highly qualified panel consisting of international bankers and practitioners delicate and controversial cases which delegates of this conference experienced in their daily practice.

Do you have interesting cases you would like to have analyzed and discussed or have encountered a challenge you would like to share with your colleagues or the expert panel? Please, send a short outline – anonymized if required – at your earliest convenience to e.treu@icc-austria.org !

**“This is your opportunity to ask questions to experts in the field of:
Bank Guarantees, LCs, Insurance, Transportation, and Trade Finance.”**

Kindly note, that due to the success of the event, we might receive more cases, than we perhaps are able to accommodate in the session. Therefore, we will work on a first come, first served basis but shall discuss those of greatest interest to all first.
