What is it about

Stay in the know with our online-training on the latest up-dates to ISBP and eUCP effective since 1 July 2023. The updated ISBP align with several ICC opinions, incorporating significant additions to the rules. It addresses terminology, preliminary conditions, signatures and signs, multimodal transport documents & insurance documents.

eUCP 2.1 were enhanced with alignement with the Model Law on Electronic Transferable Records (MLETR). This emphasizes the growing significance of electronic transferable records in global trade.
